

Wild for Watermelon

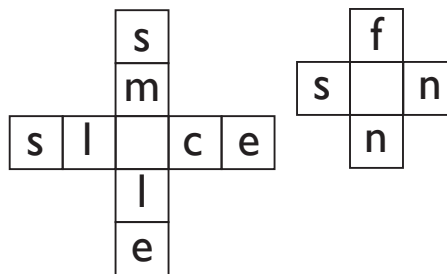

Reading/Language Arts Grades 1-2

Help Pinky return home.

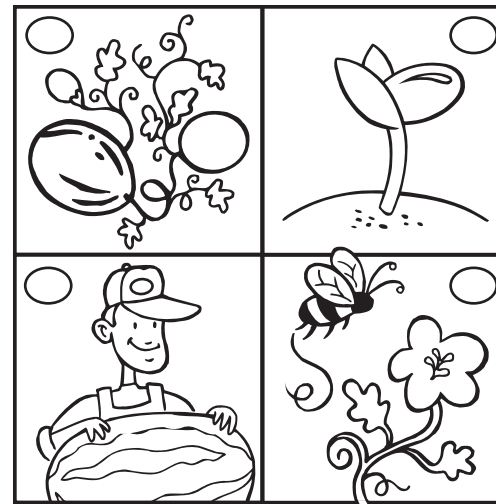

Connect all the words with a **long e** sound from Pinky to the watermelon patch.

Write a vowel in the middle of each puzzle that will make a watermelon word across and down.

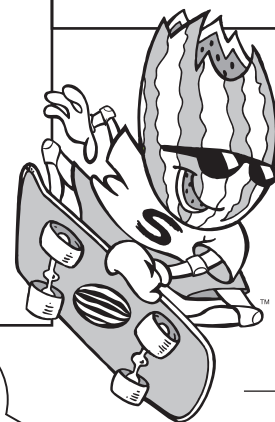

Write 1, 2, 3, and 4 in the circles to tell what happens first, second, third, and fourth in the life of a watermelon.

Draw a line from the words on the left to the words on the right that rhyme with them.

- | | |
|---------|--------|
| vine | pipes |
| grow | pack |
| juice | shower |
| stripes | line |
| snack | goose |
| flower | snow |

Meet J. Slice. He likes to skateboard, surf, and snowboard. He has a little sister named Pinky. Write your own story about J. Slice below.

Did you know?

cucumbers, pumpkins, and squash are related to watermelon.

Watermelon is made up of mostly water.

A watermelon is really a vegetable.
